Reba Goebig Appointed To Health Board

MRS. REBA C. GOEBIG

With the appointment of Mrs. Reba C. Goebig, 601 Girard Ave., Croydon, to membership in the Bucks County Board of Health, the five-member board is again operating at full strength.

Mrs. Goebig was appointed by Bucks county commissioners, according to an announcement made yesterday by Commissioner John T. Welsh at a press conference. She will fill the vacancy left by the resignation of E. D. Osterhout, of Langhorne.

Mrs. Goebig was appointed. (Continued on Page 3, Col. 2)

Ex-Sergeant Fined For Slapping Young Peer Who Insulted Queen

LORD ALTRINGHAM

LONDON — UP — A police magistrate fined 64-year-old ex-sergeant Philip Kinghorn Burbridge one pound, \$2.80, today for slapping the young peer who said the Queen's speeches gave him a pain in the neck.

But the magistrate, Sir Laurence Denne, expressed his sympathy for the defendant in Bow Street police court and said 33-year-old Lord Altringham had "disgusted and offended" most loyal citizens by his remarks.

Burbridge went into court still angry with the peer and ready to go to jail for the incident—though he admitted he expected

only a small fine on charges of "insulting behavior."

"I suppose about 95 per cent of the people of the country are disgusted and offended by what was written" by the peer in his little literary magazine about the Queen's speeches, the magistrate said.

Burbridge himself explained why he had smacked the young lord, second Baron of Tormarton, — "I did just what Prince Philip would have done but couldn't."

He pleaded guilty to charges of "insulting behavior" and

added, "I thought due to the scurrilous attack of Lord Altringham it was all a decent Briton could do to show his resentment."

Sir Laurence, in fining Burbridge, said most Britons did not resent the attack but "99.9 per cent" would not have selected Burbridge, a professional agitator, as their champion.

"All you have done is to make a most unsavory episode more sordid," he said. "On an occasion of this kind the weapons to be used against something everyone resents is the weight of public opinion."

No Comment On Possibility Of Bill Veto

WASHINGTON (UP)—President Eisenhower said today the jury trial amendment to the civil rights bill would be most damaging to the entire federal judiciary.

The President restated his opposition to the amendment, adopted by the Senate, at his news conference.

He declined, however, to say whether he would veto the bill if it reached his desk in its present form.

He repeated his statement of Aug. 2 that the measure as amended by the Senate would seriously hamper operations of the federal courts system.

The President announced also that he plans to nominate soap manufacturer Neil H. McElroy to succeed Charles E. Wilson as secretary of defense.

He said the actual nomination will not be made, however, until the Cincinnati businessman passes an extensive but routine government investigation of his fitness for the key cabinet post.

The President said Wilson notified him some time ago that he wanted to leave the cabinet before the Defense Department starts this fall to prepare next year's budget.

Eisenhower called McElroy one of the most capable men in America.

Meanwhile, Senate Democratic Leader Lyndon B. Johnson said he will seek agreement later today for a Senate vote on passage of the civil rights measure—tonight if possible. He predicted passage by a two-third margin.

Senate Republican Leader William F. Knowland, looking ahead to a conference with the House on the measure, said that administration lawyers are drawing up a new compromise which they hope will be acceptable to the President and the two houses.

Previously administration sources had listed harmful effects they say the jury trial amendment would have on the functioning not only of courts but of quasi-judicial regulatory bodies such as the Federal Trade Commission.

The Justice Department also said the amendment, if it became law, would require the Supreme Court to use juries to try violators of certain kinds of order.

The President also said today that world disarmament would follow almost automatically from

(Continued on Page 3, Col. 4)

No Drought Relief

Warm Weather Due

A cool air mass from Canada is responsible for the near-record low temperatures being recorded nightly in Lower Bucks County.

The U.S. Weather Bureau at Trenton recorded the coolest August 6 and 7 since 1912, 45 years ago, as the mercury dipped to a chilly 52 yesterday morning and a brisk 55 at about 5 a.m. today.

At Rohm & Haas Co., Bristol, the low was 53 this morning and 55 yesterday. They were the lowest recorded on those

dates at the Bristol plant since it set up weather testing equipment in 1940. The only previous low for August recorded in Bristol was a one-day chill that lowered the thermometer to 53 on August 5, 1951.

Sunny Skies Help

Sunny skies are helping to make the cool spell one of the most pleasant weather trends of the year.

But the heat relief is providing little comfort to farms and lawns suffering from the worst

Pennsylvania drought in history.

Fair, warmer and more humid is the weather forecast for tomorrow. By the weekend, temperatures should be back to the point where they are above normal.

Low Of 60

An overnight low near 60 can be expected tonight with temperatures climbing to the middle 80's by tomorrow afternoon. Indications are that cool

(Continued on Page 3, Col. 2)

Todds' Doing Fine

Actress Elizabeth Taylor and her new daughter were reported doing fine today at Columbia-Presbyterian Medical Center where the infant was delivered Tuesday by caesarean section supervised by a team of eight doctors. The 4-pound, 14 ounce premature girl was in an incubator, but attendants said she appeared "all right." Producer Michael Todd, the actress' husband and already a father and grandfather at 54, said the baby had been named Elizabeth Liza Frances Todd.

'Most Daring' Soviet Spy Is Arrested

NEW YORK (UP)—A federal grand jury today indicted Rudolf Ivanovich Abel, a top Russian intelligence officer, on charges of transmitting American defense secrets to Moscow while posing as a photographer in Brooklyn.

Abel, a Russian citizen, faces execution if convicted of the charges under the peacetime espionage act of 1954.

Abel was arrested at McAllen, Tex., and will be arraigned later today before U.S. Commissioner J.C. Hall at Edinburg, Tex.

Authorities said Abel was one of the most daring spies ever caught in the United States. He was reported to be the head of a ring which attempted to enlist U.S. servicemen as spies and communicated with Russia by short wave radio.

A three count indictment charged Abel with gathering information for the Kremlin "relating to the national defense of the United States and particularly information as to arms equipment and disposition of the armed forces and the atomic energy program." It said Abel held the Russian rank of colonel and had been a member of the Soviet's top intelligence agency since 1927.

When Abel was arrested in McAllen, Texas, just a few miles from the Mexican border, he had \$6,000 on him, indicating that he might have planned to flee the United States.

Abel, using the aliases of Mark

(Continued on Page 3, Col. 6)

Hoffa Election 'Fix' Witnesses Called

WASHINGTON (UP)—The Senate Rackets Committee called for expert testimony today on the crux of its New York hearings—the charge that James R. Hoffa, Teamster Union vice president, used Johnny Dio's underworld henchmen to rig a union election.

Counsel Robert F. Kennedy said the committee planned to call 10

witnesses, most of them union officials connected with Dio. That would clear the way for Dio's scheduled appearance tomorrow he said.

The witnesses, Kennedy said, would be individuals who played a role in the battle for control of New York's Joint Council of Teamsters late in 1955.

The committee previously charged Hoffa obtained Teamster charters for a group of "paper" locals in New York merely to use their votes in that Teamster election. According to committee data, four of the largely memberless locals were staffed with officers

(Continued on Page 3, Col. 3)

Mamie's Disposition Suffers In Operation

WASHINGTON (UP) — Mrs. Mamie Eisenhower came through her two-hour internal operation in medically excellent condition. But her disposition on the day after the ordeal probably doesn't match the cherry medical reports.

With a chuckle, President Eisenhower gave that report to his news conference today.

He also announced that the doctors say she will be sufficiently recovered to accompany him on their planned vacation at Newport, R.I., immediately after Congress adjourns late this month. There she will conclude her convalescence.

First Witnesses To Take Stand In Confidential Trial

HOLLYWOOD, Calif. — UP — The first of a parade of witnesses that may include more than 100 reluctant movie stars take the stand today at the Confidential Magazine criminal libel trial which the state hopes to "keep clean."

The prosecution and defense late yesterday finally settled on a jury of seven men and five women after three days of questioning 71 prospective jurors. The trial was to open its fourth session with opening arguments today followed by testimony from prosecution witnesses.

New York bankers Anthony Ruggano and Max Buchwalter were expected to be the first to take the stand. The men at

the grand jury hearing testified that numerous checks were issued by Confidential Magazine to Hollywood Research Inc.

The state charged defendants Fred and Marjorie Meade operated Hollywood Research as a gossip-gathering agency for Confidential. The Meades maintain that they are on trial rather than the magazine.

More than 100 celebrities have been subpoenaed to appear as "defense witnesses" at the trial. Defense Attorney Arthur J. Crowley announced plans to put the celebrities on the spot by asking them if stories printed about them in Confidential were true.

However, the state wants to keep the trial as clean as possible.

Law On Gravel Pits Being Ironed Out

Milton Berkes, Falls Township Supervisor last night announced that certain "rough spots" would be gone over in the ordinance now being drawn up by township solicitor, William Heefner, on safeguarding excavations and gravel pits.

Elder Hacker, chairman of the board, said that the ordinance would probably be ready for public advertising and hearing at the end of the month.

He also declared that he was "sure, with the cooperation of the citizens, the pit owners and the supervisors, we will overcome this problem."

At the same time, Vance Alexander, chairman of the government committee of the Levittown Civic Association read to the supervisor's meeting a copy of a letter from State Rep. Margaret S. Kooker of Quakertown in which she assured the LCA that she would do everything in her power to introduce a state bill to "prevent the recurrence of the tragedy which took the lives of three small children in a gravel pit on July 9."

He also submitted to the board of supervisors, photostatic copies of the safety ordinance now in effect in Philadelphia County and City regarding the fencing of open pits and asked that Mr. Heefner investigate the possibilities of using "this excellent ordinance" as a model.

Mr. Alexander reported that the LCA was assured of complete cooperation of the pit owners in "doing everything we can" and Mr. Berkes also stated that the supervisors had visited with and received this assurance from five of the six quarry owners in the township.

Summer Safety
"The problem of summer safety is widespread," he declared, "and although all danger cannot

Delhaas Consultant Serves At Center

J. E. Sparks, reading consultant at Delhaas School, is presently serving as an instructor at the University of Delaware's Reading-Study Center.

Sparks, a former reading consultant at Syracuse University, is assisting Mrs. Elizabeth Eager, program director, for the summer months.

TAX APPEALS DATES

John T. Welsh, chairman of the county commissioners, announced at a press conference yesterday that appeals on property assessments must be made between Sept. 1 and Sept. 30.

Courthouse Set For '58

County Commissioner John T. Welsh announced at yesterday's press conference, in answer to a question as to when the new proposed \$5,000,000 Bucks County courthouse will be started, that he expected actual construction work will be under way early in 1958.

"The architects are now working on the final drawings and bids will be called for about January 1, 1958," Commissioner Welsh said.

The new courthouse will be built on the site of the present courthouse but will occupy additional ground now bounded by East Court St., Broad St., and North Main St. A number of office buildings will be razed to make way for the new courthouse.

Weather

(Continued From Page One)

weather will be back in style early next week.

The cool spell has resulted in record-breaking low temperatures in many sections of the state. A 53-degree reading yesterday morning was the lowest in the 85-year record of the Weather Bureau in Philadelphia.

Except for possible thunder showers, there is little hope of any rainfall to bring an end to the 103-day old drought.

Mills Circus Will Appear In Levittown

Mills Brothers Circus, one of America's best known motorized circuses, will end its present season on the road with a one day appearance in Levittown on Monday Aug. 19.

This was announced this week by Jack Mills, general manager of the circus. This is the 18th season for the Mills Brothers Circus and although the Levittown closing date will be the earliest in history for this circus the show will still have completed more than 17 weeks of touring.

According to a show spokesman the main problem besetting the circus this year has been lack of advance agents to set towns for the circus to play. Late in the circus has been appearing in cities only a week or two following the contracting of the town.

The circus will appear in Levittown for matinee and evening performances only. Following the night show the equipment will be loaded on the trucks and taken to the Mills Brothers winter headquarters in Jefferson, Ohio.

A major rebuilding job on the circus will begin about Labor Day according to Mr. Mills.

Bridge Bid Is Awarded

A contract for the construction of a new bridge carrying Frosty Hollow Road over Mill Creek, Middletown Township, was awarded by the county commissioners yesterday.

The project, which will replace the present narrow span, will cost \$28,562. This amount was bid by Kingston Contracting Company, of West Point, Montgomery county, the lowest of seven bidders. The Kingston company was given the contract.

Middletown Township authorities have held up plans to widen Frosty Hollow Road until the county acted on its plans to replace the bridge. The township will conduct its work in conjunction with the bridge job.

The bridge contract calls for completion of the span by Nov. 15. Other bids on the job were North Hills, second low at \$30,123, and Vincent Tinari and Company, of Philadelphia, highest at \$34,163.

Hoffa Casc Witnesses

(Continued From Page One)

from Dio-controlled locals of the AFL United Auto Workers Union.

Paul Claude, a Brooklyn, N.Y. machine shop owner who said he feared for his children's lives even as he testified, gave the committee a vivid picture yesterday of how one Dio henchman allegedly operated.

Claude, a nervous man with a furrowed, balding brow, testified that into his shop — Paragon Brass Products, Inc. — one day in 1954 walked Max Chester, a smallish, soft-spoken man with long, dark eyelashes.

Kennedy said Chester also has a long, dark record of nine arrests and six convictions including a recent labor bribery case involving his friend Dio, whose real name is John Dioguardi.

Chester announced he was organizing the shop's 15 employees, Claude testified, and for \$2,000 would grant a contract the machine shop owner could "live with." Otherwise, the witness related, the contract would increase his costs \$12,000 in three years and run him out of business.

He said Chester told him his \$2,000 offer amounted to a gift of \$10,000 and Claude should be grateful.

Missing Harvard Coach Is Located In Allentown

GETTYSBURG, Pa. —UP — Gettysburg State Police said today that Mrs. Betty Yovicsin, wife of Harvard football coach John Yovicsin, said she had located her husband in Allentown, Pa.

Trooper Andrew Marrese said Mrs. Yovicsin called the Gettysburg barracks at 8:15 a.m. and asked that state police discontinue the search for her husband which has been under way since Monday.

According to Marrese, Mrs.

House Switched Around To Meet Twp. Zone Code

A last minutes switch in plans and the sides of Bristol Township's controversial house become the front and back and the front and back become the sides.

This quick change was made by the owners to make the house, located at Laings and Dixon Aves., Pennfield, comply with the township zoning code.

The new plans were outlined

by Herbert and Irving Fineman, of Philadelphia, owners of the house, which is 80 per cent finished. Work on the structure was stopped early in July by Harold Robinson, township zoning and building officer. Robinson charged that the builder Arthur Blum had not obtained the required zoning permit.

Blum then filed for the permit, but Robinson rejected the

request on the grounds that the house violated the zoning code. Robinson said the front and back yards were not deep enough.

Blum applied for a variance to the township Zoning Board of Adjustment. The Finemans showed up at the meeting of the zoning board Monday night and said Blum, who was only the construction superintendent, had not authority to

apply for a variance. Blum, they said, had not notified them of the trouble he was in. The Finemans said they only learned of the situation when they read about it in a newspaper.

25 Feet Back

The house now fronts on Dixon Ave. The house is only 23 feet from Dixon Ave., but 30 feet from Laings Ave. The zoning code requires that front be set

back at least 25 feet from the street.

The Finemans said they would redesign the house so it would face Laings and seek a new zoning permit.

William O'Neill, chairman of the zoning board, announced the board would reject the request for a variance and recommend the zoning officer issue a zoning permit on the basis of the changed plans.

USW Vote Stuffing Admitted

Record Crowd At Opening Of Fair

(Continued From Page One)

was exhausted at noon yesterday, requiring 60 additional cases.

Exhibition-wise, the fair was also termed the greatest ever.

John C. Thompson, Newtown farmer who is chairman of the cattle show, said the show this year was "the largest and finest since the institution of the fair in nine years."

Eighty-one head of Guernsey were shown by ten cattle exhibitors; 68 Holstein by 12 exhibitors, and 18 exhibitors showed 51 Jersey cattle.

Sheep were judged by Bob Church, assistant Northampton County agent.

Harry F. Marshall, Jr., Newtown, won first prize in the sheep judging. Second prize went to Amos Satterthwaite, Yardley.

Winner of the grand and senior championships in the Holstein cattle class was James Howes, of Newtown, Roland Worthington and son, of Doylestown, won the junior championship.

Joseph O. Canby, Middletown township, won blue ribbons for his two and three-year-old Holsteins, and for dairymen's herd in the same class.

In the flower show, the Martha Washington Garden Club, of Yardley, won first prize for central theme. The theme was "two weeks with pay."

The Yardley Civic Club won second place for "invitation to rain." Third prize was won by Langhorne Sorosis for "nature's jewels."

A "Fair" Shot

The Grange Fair offers a chance to get Salk anti-polio vaccinations for \$1 each. Dr. Robert Hallinger, assisted by Mrs. Ann Thompson, registered

Township, Delhaas Classes Will Commence On Sept. 5

Classes in Bristol Township and Delhaas Joint Schools will begin Thursday Sept. 5, it was announced today by Dr. Guy F. Eberhart, regional superintendent.

Dr. Eberhart said teachers will

report Sept. 3 to prepare for the start of classes.

He said that all pupils in the secondary grades, seven through 12, from Bristol Township or Tullytown who have moved into the

district since the close of last term should register at Delhaas High, on Route 13, during the week of Aug. 12 to 16. The office will be open for registration between 10 a.m. to 3 p.m.

Elementary pupils who have moved in the township during the summer should register at the school which they will attend during the week of Aug. 26 to 30.

Dr. Eberhart also asked children who will turn six years of age before Feb. 1, 1958 to register for first grade during this period if they have not already done so.

"These registrations are important," Dr. Eberhart stated, "since they will assure pupils a full program from the first day."

Seeing
Levittown
By LEE GARB

Mrs. John S. Barber of 269 Thornridge Drive was the victim of a practical joke that she "truly enjoyed" today. She nearly flipped when looking out her window she saw snow all over her pine tree . . . closer examination proved it to be the artificial stuff used at Christmas . . . and Mrs. Barber says she thought it a delightful occurrence, no end added by this morning's brisk weather.

mall handshell in the main shopping center.

Sheila and Paul Gravelle, 2 Elm Lane are finally leaving for the first lap of their world tour . . . mostly by car. They started out today for Mexico and will travel via the Pan American Highway through South America, returning in March.

We imagine they'll stay in Levittown long enough to demonstrate a few of the latest Latin dance steps they pick up before taking off again.

Sally Sykes, 109 Appletree Drive, has been busy with civic affairs ever since she first set foot in Levittown. . . Now she's engaged in something strictly for fun. Sally was yesterday's winner in the "Cinderella Weekend" contest at Pomeroy's. Here's hoping this gal goes all the way and has a perfectly lovely time.

Squad To Canvass Crabtree Tonight

The Levittown Emergency Squad Ambulances will be circulating in Crabtree Hollow section of Levittown tonight starting at 6:30 o'clock for the house-to-house canvass for the 1957 fund drive.

Soviet Spy

(Continued From Page One)

Collins and Emilio Goldfus, set up a film studio directly across from the federal building in Brooklyn where he was indicted this morning. Assistant U.S. Attorney William F. Tompkins said Abel used a pre-arranged drop in Brooklyn's Prospect Park and Manhattan's Fort Tryon Park and other isolated spots in the New York area to communicate with members of his ring.

Four other persons were indicted with Abel as co-conspirators, but not as defendants. Tompkins said the government was not sure whether the co-conspirators were still in the United States or had fled secretly to Russia.

Oliver Hardy Dies At 65

Hollywood UP — Oliver Hardy, the rotund partner of the famed Laurel and Hardy movie comedy team, died of the results of a paralytic stroke at 7:25 a.m. p.d., 10:25 a.m. e.d.t. today. He was 65.

The plump comedian, who won world-wide acclaim with Stan Laurel over a span of more than two decades, succumbed at the Burbank, Calif., home of his mother-in-law after a long illness. His wife for 17 years, Lucille, was by his side. They had no children.

Hardy, who weighed over 200 pounds, had been in "very poor" condition since suffering a stroke a year ago. He was paralyzed and could not talk. He could barely eat and make motions with one hand.

A stroke Sept. 12, 1956, left Hardy paralyzed. He had been trying to tell his wife something ever since the stroke but never was able to write the message.

Hardy first was hospitalized in nearby Burbank after the stroke. Then he went to his own home in North Hollywood and, about six months ago, to the home of his mother-in-law, Mrs. Monnie L. Jones.

Hardy's partner, Laurel, 67, suffered a stroke in June, 1955, and was reported nearly recovered from it. The pair was about to start a TV series at the time of the thin comedian's illness. The last film they made was "Robinson Crusoe" in 1949.

Statement Is Sent To Senate Unit

PITTSBURGH (UP) — A notarized statement in which a former Pittsburgh steelworker admitted he "stuffed" a ballot box in the United Steelworkers election was forwarded today to the Senate Rackets Committee.

Attorney James Ashton, counsel for the insurgent Dues Protest Committee, disclosed that about 750 ballots were dumped on the porch of his Glassport home following the Feb. 12 union election. Ashton said all the dumped ballots were marked for Donald C. Rarick, Dues Protest leader who lost to David J. McDonald in the election for the USW presidency.

He said the Senate Rackets Committee was shown the ballots at a closed door meeting in Washington June 14. The ballots since have been returned to him and still are in his possession, Ashton said.

The Senate committee has asked the union's 2,500 locals to impound all ballots and voting records until further notice. Under the USW constitution, the six months period for retention of this material would have expired last Monday.

Ashton identified the steelworker admitting the alleged ballot box stuffing as George E. Crosby, 38, a former employee of the Jones & Laughlin Steel Corp. plant at Hazelwood. Ashton said Crosby's statement was notarized last night by W. Davis Grove, Glassport.

Births LOWER BUCKS HOSPITAL

Aug. 5

Mr. and Mrs. Harry Rearick, 460 Logan St., Bristol, girl.

Mr. and Mrs. Charles Mielke, 40 Inbrook Road, Levittown, girl.

Mr. and Mrs. Antonio Miguelez, 220 Neshaminy St., Penned, girl.

Mr. and Mrs. Ernest Herwig, 2801 Finley Ave., Cornwells Heights, boy.

Mr. and Mrs. Marshall Brooks, 65 Kentucky Lane, Levittown, girl.

Aug. 6

Mr. and Mrs. Herbert Sakalauskas, 26 Nature Lane, Levittown, boy.

Mr. and Mrs. Clarence Venne, 8 Viburnum Lane, Levittown, girl.

Mr. and Mrs. Fred Stiltner, 22 Inbrook Road, Levittown, boy.

Mr. and Mrs. John Davis, 64 Ridge Lane, Levittown, boy.

Mr. and Mrs. Stewart Smith, 127 De Haven St., Penned, boy.

Cubs Sponsor Paper Drive

A scrap paper drive sponsored by Levittown Cub Pack 105 is now being held daily in the following sections:

Lakeside, Pinewood, Willowood, Birch Valley, Magnolia Hill, Elderberry Pond, North Park and Thornridge.

The Cubs are putting on the drive to raise funds for their summer activities which included the Boy Scout Jamboree at Valley Forge, a picnic and a corn roast in Washington's Crossing Park.

Walter Larsen is cubmaster of pack 105 which is sponsored by the Christ Lutheran Church.

News Tip Call May Mean \$5.00

If you've got a keen sense for news, it could mean extra bucks for you. Whatever the news tip might be, just phone the News Tip Editor, Courier and Times, Windsor 5-1000 or STILLWELL 8-3325. For the best tip of the week, the Courier and Times will pay \$5.00.

Morrisville • Yardley • Makefield

Pennsbury Awaits Bids For Field

No bids have been received yet on the proposed construction of a track and football field at Pennsbury High School.

That word came from Athletic Director George Jarmoska, who said bids were asked for earlier in the week. "Estimates should be coming in shortly," he said.

The oval stretch will be eight lanes wide, Mr. Jarmoska said, with two 220-foot straight-aways. Future plans call for a football infield. Other long-range plans call for a pair of bleachers seating 2,000 fans each. The entire plant will eventually be fenced in, he said.

The track and field will be located behind the high school on the tract now used for athletic events he said.

"We may get the track and football field in first," Mr. Jarmoska said, "at least get the plot graded properly." Naturally, he said, we're anxious to get the field in shape as soon as possible.

The school now has no formal football field or outside track. Home games are played at Morrisville's field.

Route 13 Stretches

Route 13 extension project, from U. S. 1 to the Yardley-Makefield Road, is nearing completion. The route, dead-ending just above the picture at left, rolls downhill through wooded glades on to where it connects with the Yardley-Makefield Road. Grading and fill

work are all but finished and final touches are expected to begin soon. The extension will by-pass Morrisville and shoot traffic directly into the Makefield sector. (Courier-Times Photo).

Valley Squad Sells Tickets For Show

Delaware Valley Rescue Squad, Grandview Estates, Morrisville, announced today that it is presently selling tickets for a Community Enterprises variety show.

The show will be held Aug. 24 at Langhorne Speedway.

Tickets may be purchased from Mrs. Elsie Grimmer, CY 5-2070, and, after 6 p.m., from Ray Jacobson, CY 5-3902. Levittown area purchases may be made from Stafford Caldwell, WI 6-0599.

The squad will also have a booth at the Acme Market, Morrisville shopping center, on Saturday.

Mrs. Grimmer said the squad is sole distributor of tickets for the Levittown-Morrisville - Makefield area.

Lutheran Vacation School Will Start On Monday

The Lutheran Church of the Resurrection, Makefield Road, Lower Makefield Township, will sponsor its annual Vacation Bible

School program each weekday from 9 to 11:30 a.m., Aug. 12 to 23.

Classes featuring materials centering around Christ and his times will be held for all children age four to 14.

Handicrafts and ceramics will be included in the Bible study, along with hymns, recreation and refreshments. Handicrafts and ceramics are under the direction of Mrs. Josephine Sturgeon.

Vacation Bible School staff includes: Mrs. Mary Arvidson, Mrs. Doris Dillworth, Mrs. Mildred Buck, Mrs. Rose Kisthardt, Stealy, Mrs. Ruth Tuech, and Mrs. Edna Stade, Mrs. Maureen Misses Claire Herrmann, Carol Scheel, and Dianna Coyner.

Mrs. Doris Dillman and Mrs.

Dorothy Scheel, will be in charge of the musical program.

Free bus service will be provided by the church in these areas: Pennsbury Heights, Makefield Village, Oakdale Manor, Yardley Farms, and Falls Park. If transportation is needed from other areas, call Hyatt 3-3342 or HY 3-2018, spokesmen said.

TOO LITTLE, TOO LATE

FLINT, Mich. (UP)—Policemen waited patiently through the hot summer months for the arrival of their new lightweight uniforms, replacing the heavy winter garb that had been worn year-round. Monday, when the first shift to wear the new uniforms reported for duty the temperature had dropped to 46.

Water Tank Meeting Set

Morrisville's proposed stand-pipe will go under discussion again at a meeting of the council's water committee Thursday.

The meeting is slated for 7:30 p.m. in the borough secretary's office, 635 North Delmor Ave.

Several months ago, the old stand-pipe was cut in half when its degraded condition became a safety factor, officials said.

The new water storage tank will probably be erected next to the filtration plant on North Delmor Ave.

Indications are that the Morrisville Authority will pay the cost of construction.

The old tank is located next to the borough secretary's office, and is slated for leveling when the new pipe is put in use. The borough has one other tank.

Concert, Water Ballet Set For Pool Tonight

The Morrisville Community Swimming Pool will sponsor a band concert and water ballet at the pool tonight.

Director Alex McDonald said the show will begin at 8 p.m., and it's open to the public free of charge.

The concert, under the direction of Horace Hutchison, music supervisor of the borough schools, will complete the summer band school sponsored by the Band of Education.

The water ballet will be presented by junior and senior high Boosters Association and Board school girls.

\$32,000 Winner Is 'Numb' With Joy

Numbness is a pleasure for a 32-year-old Morrisville man who won \$32,000 in a newspaper contest — a thousand dollars for each year of his life.

William A. Pizzini of 111 Elm Ave., won the "Stop" phase of the New York Journal-American's "Stop and Go" puzzle.

His first words: "I'm still numb!"

Mr. Pizzini, a first lieutenant in the New Jersey National Guard, was on a two-week summer encampment at Camp Frum, N.Y., when he got the welcome report.

Asked what he'll do with the prize money, Mr. Pizzini said, "I'll get a few bills paid and invest some to send my two sons through college."

Investing money comes easy for the Morrisville resident. He's an account executive with Trenton's Merrill Lynch, Pierce, Fenner and Beane, stock brokers.

He told newsmen he's been entering contest on and off for several years, but "this is the first time I've ever won anything."

Mr. Pizzini said his wife, Jean,

Injured Boy Reported As 'Satisfactory'

Four-year-old Miles Parr, of 226 Coventry Road, Fairless Hills, is in "satisfactory" condition today in Lower Bucks County Hospital, officials said.

He was taken to the hospital yesterday after he fell from a kitchen chair and suffered a possible concussion and fracture. The lad was admitted to the hospital in semi-conscious condition, officials said.

Nominee For Chief Justice

TRENTON, N.J. (UP) — Associate Justice Joseph Weintraub was named by Gov. Robert B. Meyner today as his choice for chief justice of the state Supreme Court.

Weintraub, a 49-year-old Democrat and the youngest justice on the bench, would succeed the late Chief Justice Arthur T. Vanderbilt, who died June 16 of a heart ailment. Vanderbilt was a Republican.

Meyner also announced the appointments of Superior Court judges John J. Francis and Haydn Proctor as associate judges of the Supreme Court. Francis is a Democrat and Proctor a Republican. Both men are 54.

Francis would fill a vacancy on the high court's bench. Proctor would succeed Justice A. Dayton Oliphant, a Republican, who retires in October.

Meyner is required to give one week's public notice before submitting his appointments to the Senate for confirmation. The Senate is scheduled to meet August 19.

If the Senate approves all three appointments, the political complexion of the court would be four Democrats and three Republicans.

PAY FORMAL TRIBUTE

WASHINGTON (UP)—The Senate will pay formal tribute next Wednesday to the late Sen. Joseph R. McCarthy (R-Wis.). The Senate plans to pay formal tribute to the late former Sen. Walter George (D-Ga.) next Monday. George died last Sunday.

Tot Struck By Auto

A two and-a-half year old girl was rushed to Delaware Valley Hospital, Bristol, last night, after she was struck by a car in Bensalem Township.

Police said the girl, Debora Roberts, daughter of Mr. and Mrs. William Roberts, was apparently struck by a car driven by Martin E. Watt, 54, of 2106 East Summer St., Philadelphia.

Watt told police he was turning into the girl's driveway at 2692 June Ave., Eddington about 8:30 p.m. yesterday, when a man came running up with the child in his arms and said, "Take this girl to the hospital."

Watt said the man told him he had struck the girl, but he told police he didn't know the accident had occurred until the man appeared with the injured child.

A witness, Bud Chapman, who lives across the street from the accident scene, told police he saw the car strike the child.

Police said no charges were filed.

The girl was detained at the hospital for examination.
